

NEW THESIS REVIEW GUIDELINES: PUWL degree candidates with theses need to schedule thesis format consultation with the Purdue Thesis & Dissertation Office *prior* to the defense date. This service is available only until 4 weeks before the end of the semester. After that time, contact the SOS Dean's Office at scigrad@iupui.edu for thesis format review. In addition, a final *post-defense* thesis format review is provided by scigrad@iupui.edu. That office will also provide approval to proceed with thesis deposit at PUWL. See the "SOS Thesis Deposit Process" information at the bottom of this document.

SPECIAL NOTE FOR SUMMER 2020 CALENDAR: The PUWL Grad Deadlines were not available at the time of this document preparation in August 2019. We will update and re-distribute the document if changes are needed once the Purdue information is available.
